Your home is beautiful loved the kitchen and the porches. Close walk to the water . Enjoyed the boat rides in the river. The only thing we found that was needed was some larger bowls for large families maybe mixing bowls . And some plastic cups . Possibly extra blankets . Other than those...

Southern hospitality at its best! If you have Roku's, bring them along. Access to the lake and creek is unbeatable! I've enjoyed Lake Cumberland in the past, but I found that I enjoyed Buck Creek even more! :))

If you and your family decide to stay here the only regret you will have is not staying longer! Wonderful hosts that let you know everything you need to ahead of time. House was awesome and very accommodating. We found that we spent most of our time outside on the decks though enjoying the scenery. Spent a lot of time in the water either swimming or using the included paddleboards and tubes. Even had WiFi to entertain the youngest when he needed some downtime. Took the family to visit Cumberland Falls which was amazing. Plenty more to do in that area when on vacation as they also had laid out inside in a journal and pamphlets. But we found that we enjoyed staying on the property more than anything. Will definitely stay here again. Thanks for everything!

Neighborhood highlights

Peace and quiet with direct access to the beautiful lake. Great family getaway with volleyball/badminton court and waterfront access. Fire pit for those cooler evenings and smores.
